### The Crops.

The corn crop is about made, and is equal  
to our anticipations; while the cotton also is  
doing very well. The great drawback to our  
farmers is the fact, that, during the extreme  
scarcity of the last few months, they were com-  
pelled to pledge their crops for advances, and  
for those advances to pay mercantile interest.  
In all such cases it is their true policy to settle  
such debts at the earliest practicable moment,  
in order to stop the heavy percentage running  
against them.

Speaking of cotton, we would mention a  
piece of cotton, planted by a friend in St.  
Matthews, which will make, in the estimation  
of good judges, 2000 pounds of seed cotton to  
the acre, which will be about 17 bales to the  
tract. We congratulate our friend on his  
success, and would be pleased to hear from  
him, as to the mode of culture pursued, to pro-  
duce such results.

The Boards of Registration.  
We give below the various Boards of Regis-  
tration for this District, as they have been  
finally arranged for the immediate performance  
of their duties:

First Precinct.  
G. W. STURGEON, Chairman.  
MAX WAGNER.  
JAMES MAY.  
Second Precinct.  
G. H. CORNELSON, Chairman.  
FRANCIS DEMARS.  
JOHN P. BAXTER.  
Third Precinct.  
M. L. EDWIN, Chairman.  
A. J. OSTRANDER.  
DAVID GILLANCEY.  
Fourth Precinct.  
L. D. RADZINSKY, Chairman.  
R. TURNER.  
WILLIAM BENNETT.

In our advertising columns, our readers will  
find the various appointments for the first,  
second and fourth precincts; and will be care-  
ful to register at the most convenient poll. At  
whatever poll a citizen registers, he must there  
vote, as his name will not be on any other list.

### Miss Albergott's Seminary for Young Ladies.

We are pleased to announce that this ex-  
cellent school will be re-opened on Monday,  
the 2d of September next. To any who desire  
to place their daughters under the most com-  
petent and accomplished instruction in every  
particular, and at the same time, give them an  
opportunity to enjoy all the social advantages  
of a pleasant home, we would cheerfully re-  
commend Miss ALBERGOTT'S Seminary.

### Orangeburg Female Seminary.

This well known Institution will resume its  
exercise on the first Monday of September  
next. The able and energetic Principal, Rev.  
W. G. CONNOR, has used every exertion to  
combine in the arrangements of this Seminary,  
all the various branches of instruction now  
considered as the essentials and ornaments of  
female education; and we bespeak for him a  
liberal patronage.

### New Advertisements.

Draught Horse Wanted—Apply to Mr.  
S. GLOVER.

It will be seen by reference to our ad-  
vertising columns, that the well known firm of  
Messrs. BULL & SCOVILL have just received  
in addition to their stock, a variety of first class  
goods, among which will be found Factory  
Yarn, Georgia Stripes, Longcloth, Musquito  
Nets, and a large quantity of New Flour, which  
they offer for sale cheap. They will also pur-  
chase Uncurrent Money and Wool, for which  
they will pay the highest market rates.

### Washington News.

AUGUST 2.—The order for the removal of  
General Sheridan is ready for publication, it  
is said. The reasons for his removal are stated  
in the 'order' to be, that he is an impediment  
in the way of reconstruction. General Han-  
cock is to be assigned to the command in his  
stead. The order, it is further stated, would  
have been issued some days ago, but for a lack  
of backbone or the part of some of the Presi-  
dent's supporters, and the rumored defection  
of another member of his Cabinet, who has  
suddenly seen fit to oppose the anti-Sheridan  
policy. The project of holding a council with  
Southern commanders in person in Washington  
has been postponed for the present, in conse-  
quence of the proposed action regarding Sheri-  
dan.

AUGUST 6.—The President has given a for-  
mal intimation to Secretary Stanton that his  
resignation would be acceptable. It excites  
considerable feeling in political circles. Stan-  
ton's voluntary vacation of the office is not  
regarded probable. The President's note to  
him was in effect that considerations of public  
policy would render his resignation acceptable.  
Secretary Howard has returned to his post.  
Mr. Stanton did not attend to-day's sitting of  
the Cabinet.

### Items.

The planters in Western Georgia are prepa-  
ring to pick cotton next week. The accounts  
are favorable.

The majority of John L. Helm, Democratic  
candidate for Governor of Kentucky, will re-  
ceive 40,000.

A shrewd Yankee is managing the Chicago  
Young Men's Christian Association. He takes  
all the letters put in the postoffice there with-  
out stamps, supplies what are wanted, and  
sends them on their way, with this little print-  
ed label: "This letter was deposited in the  
Chicago postoffice unpaid. Under the rules it  
would have been sent to the dead-letter office.  
The Young Men's Christian Association have  
paid the postage. In return for the favor,  
please remit, to aid us in our work, such sum  
as you can afford. Address Young Men's  
Christian Association, 146 Madison-street,  
Chicago." Lots of money come back, some-  
times five and ten dollar bills.
